

What Has Ops Done?

- ✦ Replaced floor under DJ chair
- ✦ Framed regulatory documents
- ✦ Sold old equipment at Swapfest
- ✦ Android app
- ✦ On-air lights
- ✦ Remote broadcast Election Night
- ✦ Installed new phone system and related faders
- ✦ Automatically flagged explicit songs
- ✦ Kept us on air!

When Automation is OFF

The screenshot shows a music control interface with the following elements:

- Top left: Date and time: Sunday, January 20, 2013, 11:06:38.
- Top center: "Next Timed Start" button with a red background and a green circle.
- Top right: "Next Stop [none] Stopped" and "Operating Mode Automatic" (green background).
- Center: A grid of song controls. The first row contains:
 - Paul McCartney Holiday Drunk (0:00:31)
 - Brad Paisley Holiday Drunk Driving PSA (0:00:31)
 - Choir Drunk Driving PSA (0:00:31)
 - Automation ON (0:00:01) - green button
 - Automation OFF (0:00:01) - red button
- Bottom left: "ADD", "DEL", "MOVE", "COPY" buttons.
- Bottom center: "[S:1] Panel S:1" dropdown, "Play All" dropdown, and "Setup" button.
- Bottom right: "Sound Panel", "Main Log [BLANK]", "Aux 1 Log [BLANK]", "Aux 2 Log [BLANK]" buttons.
