

- Introductions and updates:
  - Everyone said who they were
  - Music Department
    - All last semester has been working on streamlining in-station processes.
    - Working this semester on reaching out
    - Public face - working with record labels
    - Music Department working in a better cohesion.
  - Ops
    - New Phone system
      - only 3801 (right now), and only works if the dot is what's shown.
    - Using the new UI and Rivendell/Automation
      - Remember how to turn automation on/off
      - Don't leave automation on.
      - Now able to sort for clean music.
    - You can now reset faders without messing with the entire board.
    - CDJ in the studio!
    - Lyrics Flagger and Studio C
    - iPhone and Android Apps!
  - Everything else:
    - Publicity and such working on extending message into community. WMFO is a thing and we're here. We do cool things
    - Scheduling and dj agreement forms due Tuesday night so that way everyone can deal with scheduling and have everything in by monday.
  - Volunteering
    - Different opportunities in volunteering
      - Music Department
      - publicity
        - creative commons
      - Ops and such
      - Volunteer with Joel for engineering
        - Get certified as audio engineer, plus get volunteer hours.
      - New Media, blogging counts as volunteer hours
    - SUBBING AND VOLUNTEER HOURS
      - Since only 3 subbing hours go toward volunteering, stop responding right away to subbing requests if you've already subbed 3 times.
    - Volunteer days will all be announced ahead of time
    - If you want to volunteer but can't make volunteer days, email us and we'll set something up for you to do.
  - Other things going on this semester
    - WMFO Community Events
      - Open house, etc.
      - If you have ideas, talk to Sam.
    - Donations drive:

- Starts right after spring break
  - We need to make money. Let's make it fun and not just do phone banking
  - Committee of exec and staff. if you want to be involved, email gavin/other exec member.
  - Counts for volunteer hours
- Rebecca's stuff and policies
  - No swearing. not in any language. Not German, not Japanese, not English. No. Swearing. Stop it. Seriously.
  - Log your stuff to spintron. Make sure you're signed in. Make sure everything is done correctly.
  - IDs and PSAs
    - There must be a PSA once every hour.
    - IDs must be played/said at the beginning and end of each hour. Between the :55 and the :05
    - Disciplinary procedures, consequence for actions
    - Quality Control
- GIM and Training
  - GIM is next sunday, 1/27, from 7-9pm in Pearson 104
  - Nick's getting people to sign up for training.
  - Same as last semester
  - sign up for different CDJ training
- Schedule
  - Forms due this Tuesday night by 11:59:59pm
  - New schedule will be activated by the following Monday, 1/28
