Station Climate

- ✦ Please keep windows closed and shades down.

- ✦ You will be allowed to adjust the controls
- ✦ But do not attempt to remove the A/C unit because it may **fall out onto the sidewalk below.**
- ✦ Therefore, attempting to remove the A/C unit or open the window will result in **automatic suspension from WMFO** and **possible criminal charges.**

CD Player 1

Things you keep breaking

- ✦ Will be repaired as soon as possible
- ✦ Without funding during summer, it may be awhile
- ✦ Broken because someone loaded two CDs at once
- ✦ **Do not force CDs** into the players
- ✦ **Be gentle**, let it grab the CD from you

Turn table needles

Things you keep breaking

- ✦ We called the 70s; they didn't answer
- ✦ Difficult to get replacement needles
- ✦ Do not place anything but vinyl on turntables
- ✦ **Be gentle**, do not force needles down onto platter
